

How to post a promotion, job announcement, or discussion on the JETAADC LinkedIn page:

1. You must be a member- please join our [LinkedIn page](#)
2. On the main JETAADC LinkedIn discussion page, you will have a blank space that says "Start a discussion or share something with the group"

3. Click in that space and type the title of your post.
4. Below the title, fill in the rest of the details.

A screenshot of the LinkedIn discussion post creation form. The form has a text input field with the placeholder text "Start a discussion or share something with the group..." and a character count of "200". Below this is a larger text input field with the placeholder text "Add more details...(optional)". At the bottom of the form, there is a "Discussion type:" section with three radio buttons: "General" (selected), "Job", and "Promotion". A "Share" button is located at the bottom right of the form.

5. Once you have completely typed in the information, select the discussion type.
6. Once you click share at the bottom right, your post will automatically posted under the specific discussion type once it has been approved.
